

Dear Third Graders and Parents,

Welcome to Third Grade! I hope you are having a fun-filled and relaxing summer. It's not over yet! Our summer has been awesome. We have been on a few vacations, a bunch of Mets games, and spent a lot of time in the pool staying cool.

Do you like dogs? Well I have 2 that are pretty hilarious. They are both rescues from a shelter. Tucker, the larger one is 13 years old. He has quite a big personality. Charlotte is the one on the bottom. She is younger but acts like Tucker's mom!

Do you like to listen to music? Well, you are coming to the right place! I play the guitar and a lot of it in the classroom. I'm hoping that you'll want to join in and sing along to some tunes! I also play a lot of video game and movie theme songs.

We are going to have great deal of fun this year. You will work hard and learn about new things. In math, you will get to add and subtract
