August 2024

Dear Fifth Grade Students and Families,

I hope this letter finds you well and full of excitement for the upcoming school year! My name is Mrs. Kraemer, and I am thrilled to introduce myself as your new fifth-grade teacher. As we prepare to embark on this new academic journey together, I wanted to take a moment to share a bit about myself and what you can expect this year.

First and foremost, I am incredibly excited to be joining the Setauket Elementary School Community. My goal is to make this year both educational and enjoyable, filled with new experiences and opportunities for growth. In our classroom, we will focus on building a strong foundation in core subjects like math, science, reading, and writing. We will also explore creative projects, collaborate on team activities, and develop critical thinking skills. I believe that each student has unique strengths and interests, and I am committed to supporting and nurturing those qualities throughout the year.

This year, 5th Grade will be departmentalized, which means you will take time to visit and learn with another fifth-grade teacher. You will spend most of your day in our classroom for reading, writing, math, science and other activities but, you will also get to visit another classroom for social studies. We hope this will help you prepare for sixth grade and middle school!

Communication is key to a successful school year, so I encourage you to reach out if you have any questions or concerns. On the first day of school you will be provided with a Remind Messaging App Class Code as well as my School Email. I will send regular updates about our classroom activities and any other important information.

Please be sure to check out the class supply list on the school homepage to see what you will need this year in 5th Grade! Please bring in your supplies on the first day of school. We will label each notebook, folder, and other materials together in class on the first day! Please also bring a good book to read, a healthy snack, and a happy smile!

I look forward to meeting you all soon!

Sincerely,

Mrs. Kraemer
