There are several items you need to bring to school this year:

\*A lunch that you love and can eat in 20 minutes (I do not recommend buying during the first few weeks of school)

\*A healthy snack

\*A set of clean clothes, including socks and underwear, in case of an accident

\* Two bottom pocket folders (the sturdier the better)

\* One box of crayons (24 colors please, CRAYOLA LASTS THE LONGEST)

\* Twelve or more glue sticks (I recommend buying in bulk while they are on sale! We will need **MANY** replacements throughout the year. ELMERS LAST THE LONGEST)

\* One box of classic color
