Your assistance is needed and appreciated.

(This allows for quicker

circulation of vehicles and traffic safety on Mud Road.)

sign located three quarters of

the way into the circle.

In the event that traffic is light in the circle, to advance forward to the there is anyone behind you.

(such as a child on crutches, wheelchair etc.) get the attention of the circle supervisors by calling from your car or . This will get our attention and assist you to exit closer to the entrance.

Please make sure your child is out of the vehicle and the car door is closed before exiting the curb.

go around a parked vehicle and cut back into the curbside, unless directed by security. This is dangerous and can create further delays.

All Students qualify for busing and are strongly encouraged to use district transportation to help alleviate drop-off congestion (7:25am buses dismiss on the North side of school building).
