Hi Boys and Girls!

I hope you are having a great summer! My name is Mrs. Peters and I am going to be your kindergarten teacher this year at Arrowhead. I hope you are getting excited for a *great* school year. I am looking forward to a fun-filled year of making new friends, reading books, writing stories and learning new things!

On the first day of school, I will be waiting for you at the bus circle. Look for me when you get off the bus. I will be holding a stuffed \_\_\_\_\_

In an effort to keep the lines of communication open between home and school, I will be using the Remind App this year. Please text the code: \_\_\_\_\_\_ to \_\_\_\_\_to receive kindergarten announcements and updates this year.

and begin our exciting journey together at Arrowhead. I hope you enjoy your summer!

See you in September!

Love, Mrs. Peters
