

Nassakeag Student Drop-Off/Pick-Up Procedure:

Please be aware that Nassakeag does not have the personnel required to supervise students who are dropped off early. Students should not be dropped off prior to 8:30 a.m. Our school day begins promptly at 8:43 a.m. Only students that have prescheduled activities will be permitted to enter the building prior to the start of the regular school day. This added security measure is for your children's safety.

We expect students to stay the entire school day which ends at 2:58. However, we understand that there will be times when an early pick-up will be necessary. In this case, we respectfully request that a note be sent to school indicating your intention to pick your child up from school or identifying the individual who will be doing so. Only a parent/guardian or someone directly authorized by a parent/guardian in writing or as indicated on the emergency contact card, may take a child home from school. Staff will not release a child to any unauthorized person. For children who are picked up after school, the daily sign-in sheet is the method we employ to trace a child's departure from school. Please be here by 2:45 if you are picking your child up. Please be prepared to show photo identification when signing children out of school. In the event that you have authorized someone else to pick up your child, please tell them they will need proper identification as well. We also ask that that you observe the posted speed limits and use caution as you travel through our parking lot and local roads.
